

Instructions to Download & Register for WASP's Junior Hockey using TeamApp

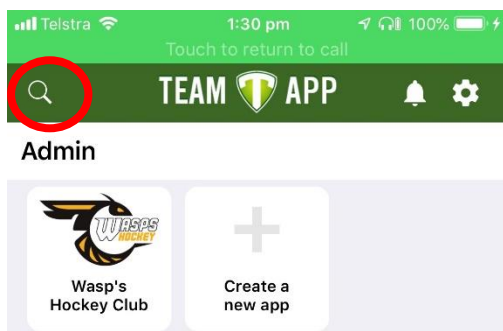

If you don't already have TeamApp:

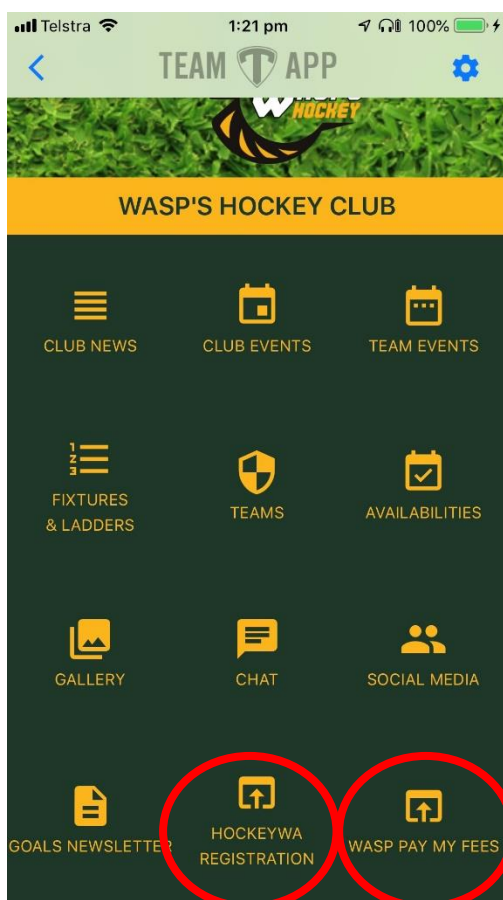

Go to the relevant App Store for your device and search for TeamApp

Or using your device click on this URL <https://www.teamapp.com/app>

Once you have TeamApp search for “Wasp’s Hockey Club” using the Magnifying glass in the top left.

You have found us when you see this logo!

Register or Login using the prompts.

You can then complete the 2-step registration process:

- 1) Go to the HockeyWA registration; and
- 2) WASP PayMyFees sites

If you use the same email address for both TeamApp and HockeyWA that will automatically link parents to children in TeamApp.

If you have others (ie. grandparents etc) who want to follow your player's progress or team communication, then they are more than welcome to register with TeamApp and we can manually include them in the relevant Access Groups.
